

# **MUNZ STATEMENT ON VACCINATION**

**The Maritime Union of New Zealand  
Incorporated National Council  
Meeting held on the 11–12 August 2021  
recommends and supports our members  
being vaccinated for the Covid 19 virus.**

**But also recognises the freedom of choice  
for our members and encourages them to  
make an informed decision.**

**Under a new law, the COVID-19 Public Health Response  
(Vaccinations) Amendments Order 2021,  
vaccination for port workers is now mandatory.**

**Privately employed border workers must have had their  
first dose by 30 September 2021.**
